

# AMPLIFY!

## NO MENTHOL SUNDAY

*"I can do all things through Christ  
who strengthens me."* - Philippians 4:13

There are many ways to help our people as we journey forward together to become a tobacco free community. With Faith, Love, and Support we can "let go" of the addictions that are killing us. Declare your house of worship and the greater community to be Smoke/Vape Free Zones.

Encourage former smokers to testify and share how they succeeded. Call the California Quitline for yourself or a loved one. Kick Big Tobacco out of our community by getting involved in efforts to stop the sale of menthol cigarettes, cigars, and vape products.

Protect our children and their families.
